

Quick-Step Clean for Livyn is specifically developed for Livyn floors. **One single cleaning product takes care of the daily maintenance of your vinyl floor.** It protects the Livyn top layer with Scratch Guard technology and helps to preserve the original matt look of your floor.

PRODUCT DESCRIPTION

Quick-Step Clean for Livyn enables you to maintain your Livyn floor hygienically and without much effort. It is the ideal product for the daily maintenance of your floor.

PACKAGING

Packed in a bottle of 750ml - QSVCLEANING750.

PRODUCT PROPERTIES

- Fresh and pleasant odor
- No buildup of layers. Existing layers are dissolved by the product, in doing so there is no dirt or debris left.

AREA OF APPLICATION

For daily maintenance and cleaning of Livyn.

INSTRUCTIONS:

1. Clean the floor on a regular basis with the Quick-Step Clean for Livyn cleaning agent diluted in water. Use the cap of the bottle to measure two capfuls of cleaner. Add them to a bucketful of water.
2. Wipe the floor with a damp, non-fluffy cloth or mop which has been dipped in the cleaning product.
3. Wipe the floor with a dry cloth until no moisture is visible on the floor.
